the design

To create an ambience that emulates luxury in Pondicherry.

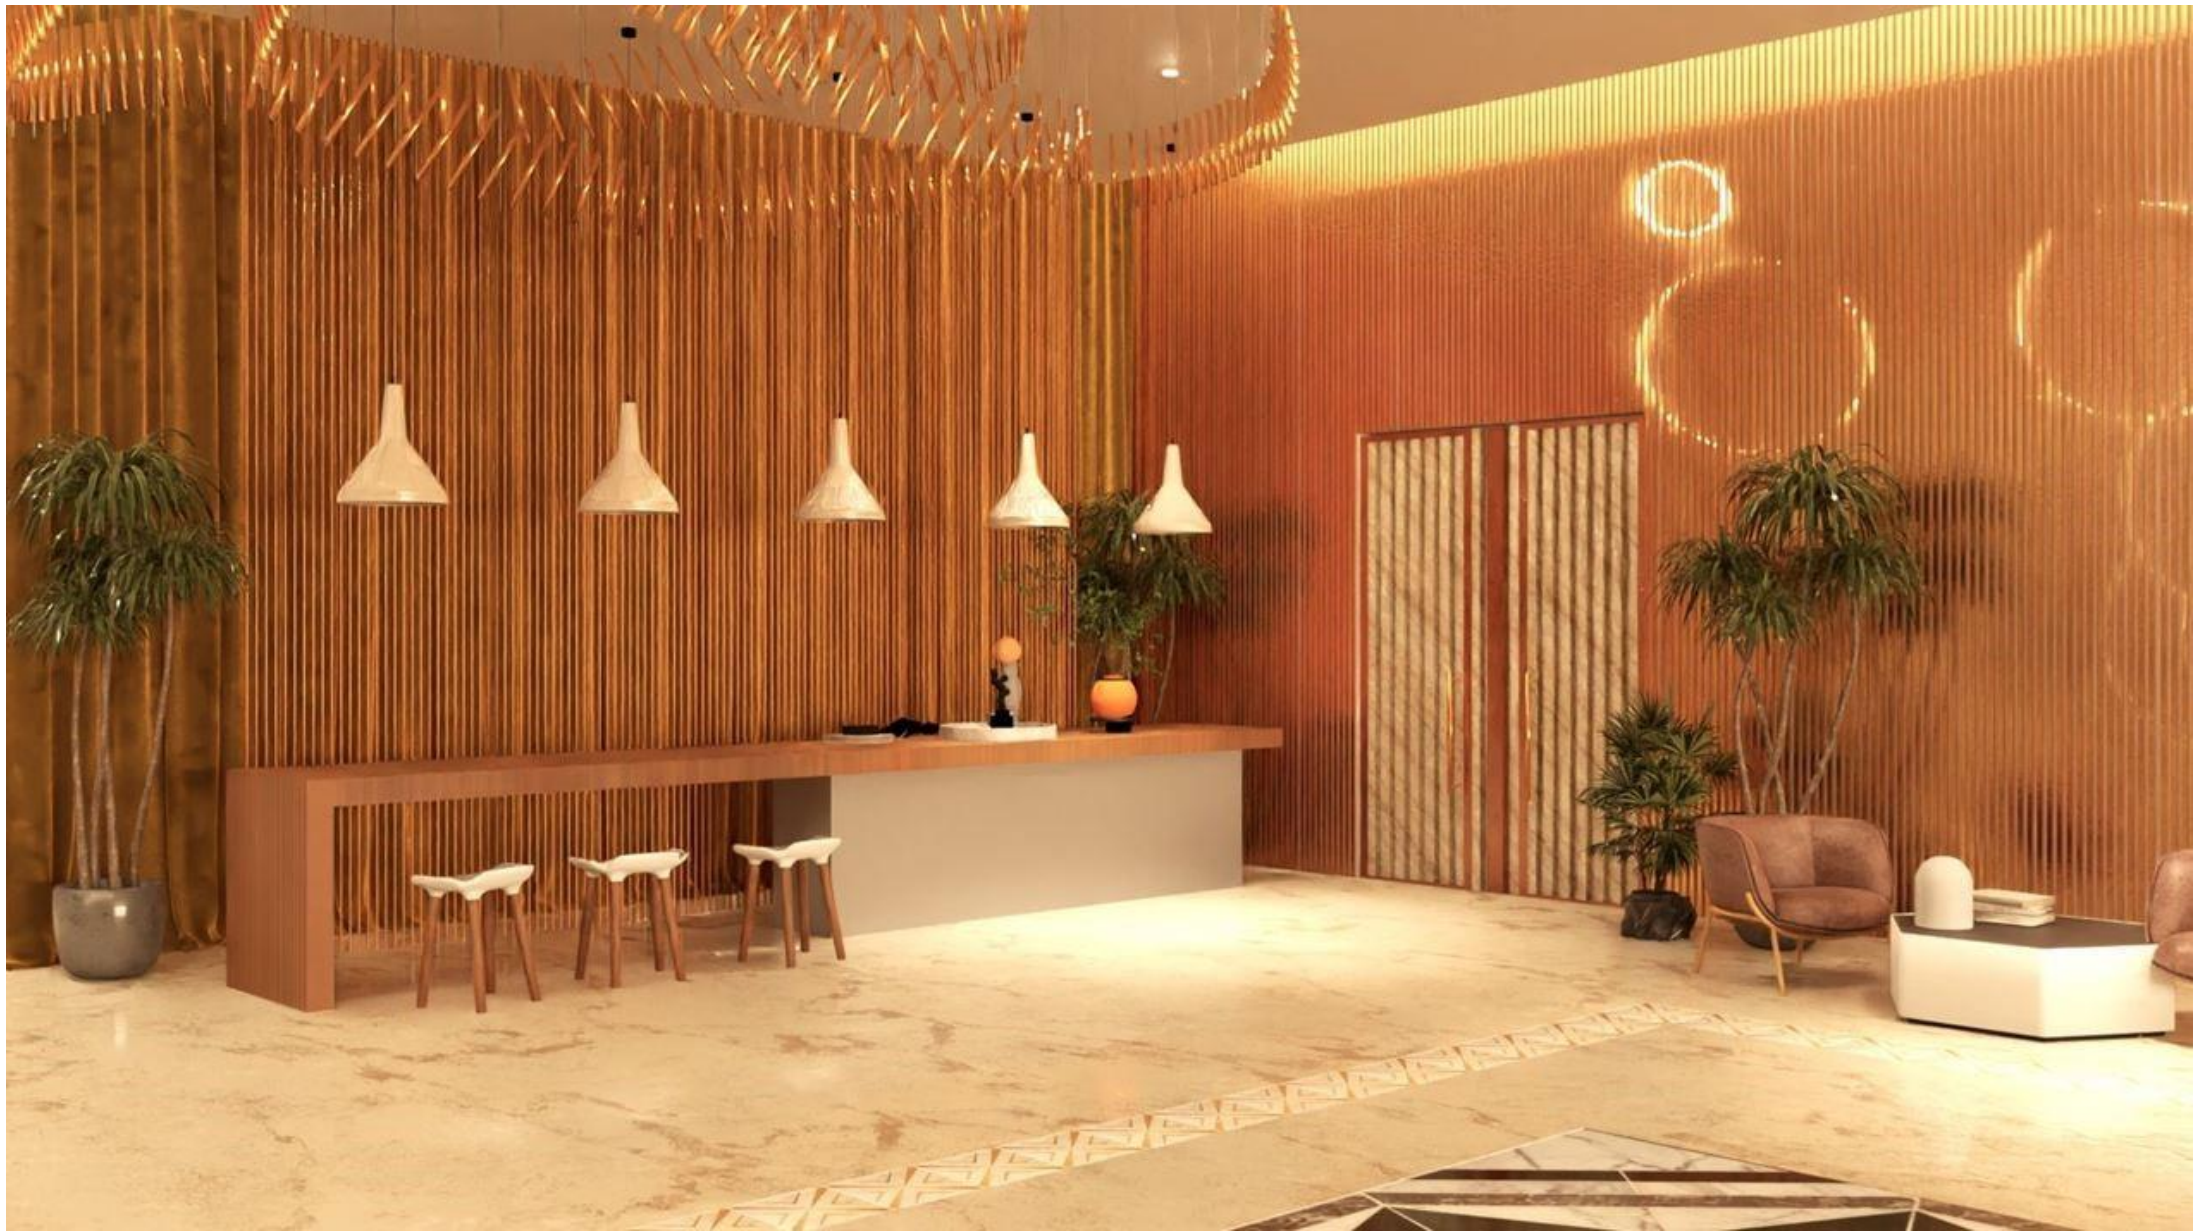

We strive to create an experience like none other in Sapthagiri. Symbolic of the Creole Architectural style in the French quarters of the city, we've incorporated the blend of comfort, warmth and luxury to assuredly accommodate in the lap of luxurious spaces. Much of the decor has a unique Franco-Tamil influence. From the Chandeliers to the brass inlay marble flooring, we have left no stone unturned to radiate the grandeur of Crown Hotels.

The rooms at the hotels aspire to be the pinnacle of opulence and warmth, a home away from home.

We have designed the interiors with affluent fluted wooden panelling and brass, magnificent yet easy to maintain, luxurious to the stay, creating an icon in our Paris of the east.
